

# ELECTRONICS

DESIGN & MANUFACTURE OF ELECTRONICS SOLUTIONS

For over 50 years **CAMIS** has been a specialist distributor supplying components from leading manufacturers such as:

**Products include a range of micro-switches, foot switches, relays, timers, counters, sensors, contactors, monitoring and control devices, PLC's and solid state relays.**

## COMPONENTS PLUS

From components supply to product assembly, **CAMIS** provides design assistance, technical support and a range of in-house-manufacturing facilities. This enables the integration of products within cable harnesses/ wiring looms & control panels to provide a bespoke solution whether in small batch quantities or volume production. Facilities include

- Fully automated cable cutting, strip and crimp
- Control box assembly
- Overmoulding
- Epoxy potting
- Hot stamp cable marking

**CAMIS** customers who have benefitted from this complete 'component supply to product assembly' service come from a wide range of industries including:

- HVAC
- Environmental
- Aerospace
- Audio Visual
- Automotive
- Boilers
- Catering
- Gaming
- Heating
- Lifts
- Lighting
- Medical
- Mobility
- Railway
- Refrigeration
- Security
- Semi-Conductor
- Solar Panels
- Switchgear
- Vending
- White Goods
- Hoists
